1. From the Director of Agriculture, A.P., Guntur, letter No.NRM(1)/92/2016,dated:28-09-2016 addressed to the Spl. Chief Secretary to Government, A& C Department.
2. Agriculture & Cooperation (Agri.II) Depts File No: AGST/189/2016-AS(AGRI.I)-AGRSECT, Dated: 11.04.2017.

***

ORDER:

In the reference first read above, the Director of Agriculture has stated that keeping the vulnerable situations prevailing in the low rainfall districts of Rayalaseema i.e.Ananthapur, Chittoor, Kadapa, Kurnool and Prakasam district, Government of A.P has proposed the A.P. Drought Mitigation Project (APDMP) to mitigate farmers distress and ensure drought proofing. The rationale behind the project is a concerted and coordinated effort to address the problem of repeated drought and strengthen their resilience to drought; that the Programme Development Objective (PDO) and central strategy of APDMP is to strengthen the adaptive capacity and productivity of agriculture in the rainfed zones of the above five districts in southern AP and also enable farmers to increase their income in a very difficult farming environment. The funding was invited from the Agencies like International fund for Agricultural Development (IFAD), National Bank for Agriculture and Rural Development (NABARD) and Green Climate Fund(GCF); that it was also proposed to converge with the ongoing Central Sector Schemes like MGNREGS and RKVY. The IFAD insists on the establishment of the project structure before starting funding the project and requested for sanction of the posts.

2. In the reference second read above, the Agriculture & Cooperation Department has sent the proposal for sanction of (15) posts in State Project Management Unit (SPMU) at State level and Ten (10) posts in District Project Management Unit (DPMU) at District level for implementation of A.P. Drought Mitigation Project (APDMP) an Externally Aided Project (EAP) funded by International Fund for Agricultural Department (IFAD) in the low rainfall districts of Rayalaseema and Prakasam district.

3. After careful examination of the proposal of the Agriculture & Cooperation Department, the Government hereby accords sanction of the following (21) posts in State Project Management Unit (SPMU) at State level and in District Project Management Unit (DPMU) at District level for implementation of A.P. Drought Mitigation Project (APDMP) an Externally Aided Project (EAP) funded by International Fund for Agricultural Department (IFAD) in the low rainfall districts of Rayalaseema and Prakasam district.
